DIRECTIONS BY CAR

Exit the motorway (autostrada A12) at Carrodano-Levanto on the A12 Genoa-Livorno. Follow the signs to Levanto and Monterosso. Once you arrive in Levanto at the first roundabout (in the middle of the roundabout there is a surfboard), go straight following signs for Levanto town center and Monterosso. At the second roundabout turn left towards Monterosso. The road goes up a hill. At the top there is a tunnel, pass it and after it, ignore the signs on the left for La Spezia and Vernazza but go straight. After it you are facing a fork (on your right there is Hotel Monterosso Alto), take left to Monterosso Old Town (ignore the straight road to Monterosso-Fegina). After about 5 km you will arrive in Monterosso where you will find a parking lot.

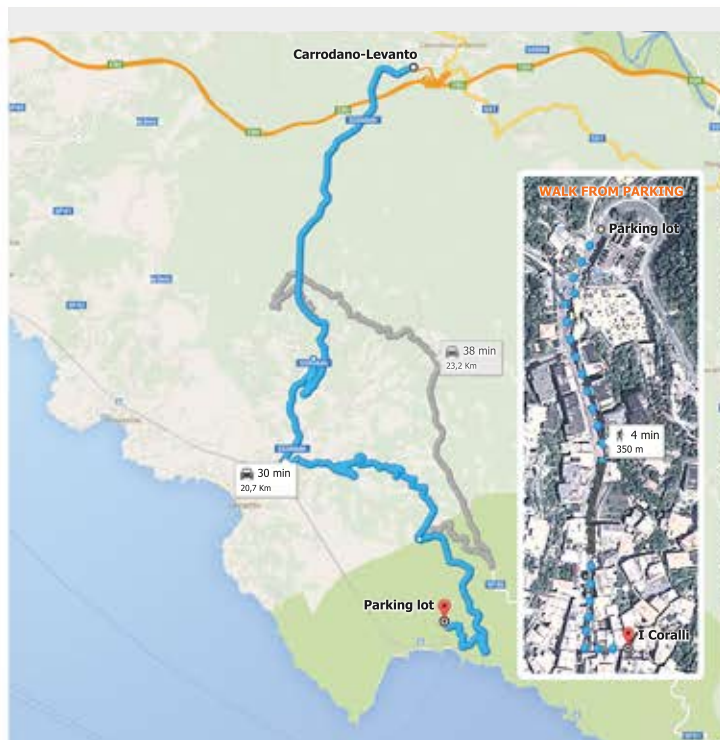

Walk from parking:

Get down from the car park and take the only road in front of you: Via Roma, continue straight for about 200 meters up to an arch of houses under which on the left there is a bar: Bar Davi, take the road on the left Via San Pietro and continue straight to the end here you will find I Coralli Rooms.

DIRECTIONS BY TRAIN

Leave the train station and turn left and go straight for about 5 minutes until you find a tunnel, pass through it and go straight under the bridge of the railroad. In front of you there is a square with a fountain, behind which there are the arches of the town church. Take the road to the right of the arches, Via Roma, and after few steps on a small square Piazza Colombo, take right again and continue on the little street between the Restaurant Moretto and the fish shop "Pescheria Pighianinte". Walk straight until the top of via XX Settembre and you will arrive in front of I Coralli Rooms.
